Dear Parents,

Happy New Year! I hope you all had a chance to relax and unwind and enjoy the festivities of the season.

Children Coming To School in PE kits

After the successful trial of children coming into school in their P.E. kits for their lessons last year, we will be continuing this term. Please note change of dates.

Year 1 & 2 - please come into school in PE kits on Friday.

Year 3 & 4 - please come into school in PE kits on Wednesday.

Year 5 & 6 are swimming on Mondays so do not need to come into school in PE kits. However, they will be asked to bring in a PE on occasional days for workshops or virtual competition events.

Reception - Please bring PE kits into school as usual to leave on your child's peg so they can get changed as part of their lessons.

Reading At Home

Reading at home is crucial for children's development as it builds vocabulary, boosts cognitive skills, enhances concentration, fosters imagination, and sets them up for greater academic and life success by creating a strong foundation for literacy and learning. Even 10-15 minutes daily can expose children to a million more words by school age, closing potential word gaps and preparing them to understand complex texts.

There has been a noticeable decline in the number of children of all ages regularly reading at home over the last term. Please could we urge parents to hear their child read daily to help them reach their full potential and kickstart 2026 by fostering a worthwhile daily reading habit.

Swimming

Year 5 & 6 swimming lessons start this term each Monday. There is a voluntary contribution of £6.75 for each session or £74.25 for the term, this covers the cost of transport and tuition and is available via Parentmail Pay.

Mystery Readers

A few years ago we ran a successful Mystery Reader project. We had a wonderful response with so many parents offering to come and read and share their favourite stories with the children. The children loved it. We will be continuing with the project after February half term. If you would like to take part, please speak to your child's class teacher.

Xmas4Schools

Thank you for supporting our Xmas4Schools scheme. It raised £83.
