13th April 2021

Dear Parents,

Welcome back to the summer term. I hope you all had a chance to enjoy the Spring sunshine.

Red Nose Day - Comic Relief

We raised £126 for Comic Relief. Well done everyone.

Parking

Please could all parents using the school car park reverse park into the bays.

Could I also politely request that parents do not park on the double yellow lines outside of school, including for drop off. Thank you.

Class School Photographs

The photographer will be in school on Tuesday 8th June to take class photographs. Order forms and proofs will be sent to you in due course.

Relationship Education

During this half term all of the classes will have an opportunity to work with a specialist who will deliver a Relationships Workshop. The person delivering the workshop is part of the Operation Encompass team, providing support and raising awareness of domestic abuse. The project was set up to support children to experience safe, secure, nurturing relationships within a safe, secure and nurturing environment. Children will be involved in age appropriate activities to support fostering healthy relationships with those around them.

Dental Hygiene

There have been reports of increased deterioration of dental hygiene in younger children during the national lockdowns. To help promote good dental hygiene, all the younger children in Reception and Year 1 & 2 will receive a trial pack of Colegate toothpaste and toothbrush to use at home, should you wish to do so. The supporting leaflet suggests strategies to use with younger children to support dental hygiene. Unfortunately, the voucher included has now expired due to receiving the packs in lockdown.

Regards,

Louise Fletcher

Headteacher - Mrs Louise Fletcher
