

Different types of

Epilepsy:

- Absence Seizures
- Tonic-clonic Seizures
- Focal Seizures
- Tonic Seizures
- Clonic Seizures
- Atonic Seizures

Be aware of Epilepsy! 

Join in the fun! 

Purple Day!

600,000 people have epilepsy in the UK.

On the 25th March We Will be distributing awareness for epilepsy. We will have a bake Sale, an extended assembly and Yr 5/6's will be in non-School uniform and purple clothing. Please bring in donations for Epilepsy Action!
