

### **Latest Y5/6 Girls Football match report written by Chloe**

On Tuesday 8<sup>th</sup> October, Swarland primary School played their first game of the year against Embleton. The team consisted of Year 5 & 6 girl and one Year 4 girl who helped us out at the last minute. Our team were confident, consistent and persevered with tackling. I think we worked well as a team and will grow an even better team bond as our friendship grows bigger.

The more we played, the more the crowd cheered for the team. They were really encouraging and helpful. But without our extraordinary teacher, Mr McLeod, there could have been a 50—50% chance that we would not have won the match 9-0.
